

The Hamersley Basin mining area lies in the Pilbara region of north-west Western Australia, 1,100 km north of Perth. A Chinese company, the China Metallurgical Import & Export Company, has a 40 per cent holding in one of the five major producing mines in the area, the iron ore mine located at Mount Channar. Pictured here is the Australian Prime Minister, Bob Hawke (right), with the Chinese Party Secretary, Hu Yaobang, on Mount Channar during Hu's visit to Western Australia, April 1985.

哈默斯利盆地矿区位于西澳西北部的费巴拉地区，此地在珀斯以北一千一百公里处。该矿区有五大铁矿出产铁矿石。中国冶金进出口公司持有其中一个铁矿的百分之四十的股份，此铁矿座落在钱纳山上。图为澳大利亚总理鲍勃·霍克(右)与访问西澳的中国共产党总书记胡耀邦在钱纳山上。摄于一九八五年四月
